8 **UNITED STATES DISTRICT COURT**

9 **DISTRICT OF NEVADA**

10 DTiQ Technologies, Inc.,
11
12 Plaintiff,
13 v.
14 Hawk Technology Systems, LLC,
15 Defendant.

Case No.: 2:20-cv-02050

**JOINT STIPULATION TO STAY
DISCOVERY AND STAY CASE
DEADLINES**

16
17 Plaintiff DTiQ Technologies, Inc. and Defendant Hawk Technology Systems, LLC
18 stipulate to stay discovery (including any pending discovery deadlines) and stay the deadlines in
19 the Court's scheduling order, See Dkt. 21 (scheduling order), until the Court rules upon
20 Defendant's Rule 12 Motion to Dismiss for lack of personal jurisdiction, which was filed on
January 11, 2021. See Dkt. 11.

21 The parties are concurrently engaged in settlement discussions seeking to potentially
22 resolve this matter. This is the parties' second stipulation to stay discovery and potentially modify
23 the deadlines in the scheduling order, and the stipulation is intended to preserve significant
24 resources of the parties and the Court, which constitutes good cause. If the Court grants
25 Defendant's Motion to Dismiss, then this lawsuit will likely be dismissed. Thus, the parties ask
26 the Court to stay discovery (including any pending discovery deadlines) and stay the deadlines in
27 the scheduling order, so that if the Court grants the Motion to Dismiss, then the parties will not
28 have expended the significant resources that are required to comply with discovery and comply
with the scheduling order's upcoming deadlines, such as deadlines on infringement contentions,

rsww-6144

1 even as Defendant has filed no Answer or counterclaims, such as patent infringement, at this time.
2 The parties will apprise the Court without delay if settlement efforts are successful and conclusive
3 between them.
